Marvelous Designer 9 v5.1.311.44087 Torrent.Q: Are there any good books on the economic history of China? I'm trying to learn more about what happened to the economy of China during its period as a closed empire (1100 to 1913). I know a bit about the history of China, and I have learned much from reading several excellent books about China during the period, but (as usual) I'm struggling with details, and I know that the good books tell it just as I've read in the past, but I'm trying to expand what I know. I have been reading "The Rise of the East Asian Tigers", but there's a lot there that I don't know yet. I'd like to learn more about the impact of the Taiping rebellion (as well as other events) on China's

economy, but don't know where to start. Are there any good books on the economic history of China? A: This is a great topic and
